Re: Request for opinion
Lafourche Parish Council Member
Aaron "Bo" Melvin
District No. 4

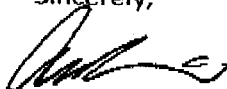

Dear Louisiana Board of Ethics:

I was elected to the position of Lafourche Parish Council Member for District 4 in 2015 and just recently began serving my four (4) year term. I have been working as an independent producer/agent for AFLAC since August, 2009. I have a couple of questions regarding my employment as an AFLAC agent as it pertains to my position as Council Member.

1. I assisted with the enrollment of Lafourche Parish employees in December 2013 and 2014. I currently receive renewal incomes for those policies that I wrote in 2013 and 2014. My December statement lists about \$53.41 (fifty-three dollars and 41 cents) for the month. Since I am a parish council member, would I be prohibited from continuing to receive this renewal income?
2. It is my understanding that I cannot write any new policies for any employees of any vendors that do business with the parish. However, if I have pre-existing clients that are on the parish vendor list, would I be able to still collect renewals on those pre-existing policies? The vendors listed on my December month-end statement are: Laris Insurance \$141.16 for December, Thibodaux Women's Clinic was bought by Thibodaux Regional Medical Center about 2-3 years ago. The business was written before the buyout and my December 2015 renewal is \$12.37, Kirk Champagne of Crown Pest Control \$2.15 for December as well.

Please place this matter for review on the next available agenda. If you have any questions, please do not hesitate to contact me at 985-227-3580. Thank you.

Sincerely,

Aaron "Bo" Melvin
